Lost or Stolen Cards

If your Wright Express Fleet Card is ever lost or stolen, immediately inform your manager or fleet contact.

Our card is easy to use — and has built-in controls

Driver ID Number

- Enter the DRIVER ID number assigned to you by your fleet manager.
- This authorizes the sale and identifies you as the purchaser.
- Do not give your DRIVER ID number to anyone except a station attendant or a Customer Service Representative.
- It is important to keep your DRIVER ID number separate from your card in case the card is ever lost or stolen.

Odometer Reading

- Always enter a current and exact ODOMETER reading. Do not include tenths of miles in your odometer reading.
- Accurate ODOMETER readings are critical for vehicle tracking & reporting.

Wright Express cards are accepted at these and other merchants. Participating locations only. Card acceptance is subject to independent station owner/operator participation.
